Heavy Duty Rod Linear Actuator - IP66

The water and dust resistant model of our Heavy Duty Rod Actuator is perfect for outdoor applications. Available in strokes up to 60” long and with 200 lb. of force, this rugged and powerful actuator provides reliable performance for a variety of applications.

Standard Features and Benefits

- **Internal limit switches** automatically shut off the unit at the end of stroke
- **Standard stroke lengths** of 10, 20, 30, 40, 50, and 60 inches are available
- Delivers up to **200 lbs. of force** at an extension speed of .75 inches per second
- **IP66 rated** - dust and water resistant
- **Temperature operating range** of -15°F to 150°F (-26°C to 65°C)
- **High grade aluminum housing** resists corrosion
- **Maintenance free**
- **CE and RoHS certified**
